POSITIVE PROFIT ALERT

This announcement is made by YuanShengTai Dairy Farm Limited (the “**Company**”, together with its subsidiaries, the “**Group**”) pursuant to Rule 13.09(2) of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the “**Listing Rules**”) and the Inside Information Provisions (as defined in the Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong).

The board of directors of the Company (the “**Board**”) wishes to inform the shareholders of the Company (the “**Shareholders**”) and potential investors that, based on the Board’s preliminary review of the latest unaudited consolidated management accounts of the Group for the year ended 31 December 2024 (the “**Current Year**”), and the information currently available to the Board, the Group is expected to record a net profit ranging from approximately RMB270 million to RMB320 million for the Current Year, as compared to a net loss of approximately RMB339.7 million for the year ended 31 December 2023 (the “**Prior Year**”).

The Board reached this view after taking into account the following principal factors:

- (i) gross profit increased as compared to that of the Prior Year due to the increase in sales volume and decrease in cost of feeds for cows; and
- (ii) decrease in loss on changes in fair value less cost to sell of biological assets for the Current Year as compared to that of the Prior Year.

The Group is still in the process of preparing its consolidated financial results for the Current Year. The information contained in this announcement is only based on the Board's preliminary review of the latest unaudited consolidated management accounts of the Group and information currently available to the Board and is not based on any financial figures or information which have been audited or reviewed by the Company's auditor. Detailed financial information and performance of the Group for the Current Year will be disclosed in the Company's annual results announcement for the Current Year, which is expected to be published by the end of March 2025.
